

# Bloom and Leaf

## Performance Boosters

ENHANCE THE LONGEVITY AND BEAUTY OF YOUR FRESH FLOWER ART

### FOLIAGE SEALER 662

**Fast-drying, clear protectant seals in moisture of fresh-cut foliage. Updated in a natural-sheen finish.**

- Keeps greenery looking fresh longer, even out of water.
- Prolongs the crispness of Leatherleaf, Pittosporum, Italian Ruscus, Ivy, Fern, Smilax, Jasmine, Christmas Greens plus more.
- Applied while at its freshest, reduces shattering of Asparagus varieties.
- Ideal for moon gates, arches, hoops, chuppahs, garlands, wreaths... anywhere you use fresh greenery without a water source.

### PETAL PROOFER 661

**Invisible protectant for delicate, fresh blossoms prone to shattering or petal breakage. Apply to calyx, dries fast to a natural luster.**

- Helps ensure delicate flowers arrive in perfect condition.
- Reduces shattering of ray florets on chrysanthemum-type blooms.
- Spray the backside of tulips and peonies to keep blooms from fully blowing open.
- Prolongs the beauty of all mums, pompons, alstromeria, gardenias, camellias, lilacs and other sensitive blossoms.

## CLEAR LIFE 660

Clear sealant locks in vital moisture and slows transpiration of fresh flowers. Quick-drying, satin finish.

- Assures longer life and lasting beauty of blossoms, even those out of water.
- Invaluable tool for busy florists who need to design in advance.
- Use with any design style, vase designs or floral foam arrangements.
- Ideal on blooms out-of-water such as flower crowns, floral jewelry, flower purses, corsages, boutonnieres for wedding and prom.

## ULTRA LEAF SHINE 659

Natural-sheen leaf polish for cut greenery and foliage plants. No alcohol or chemical odor.

- Cleans and renews appearance of dulled or water-spotted leaves.
- Easy to use for everyday or production-line design.
- Provides the polished touch to your designs.
